An ounce of prevention is worth a pound of cure. Why go through the trouble of *catching a criminal* when it's much easier to *prevent the crime*?

The Donovan Drop Safe series *prevents* the crime.

Easy to use rotary hoppers allow employees to quickly and conveniently drop cash.

Once dropped, your cash is secured behind the hardened steel of expert workmanship and 97 years of experience.

Our high security locks and patented strength features make the Drop Safe series virtually impenetrable.

**CONSTRUCTION FEATURES:**

- Solid steel, full 1/2 inch thick doors and frames
- Solid action locking bars provide locking that is virtually pry-proof
- Reinforced framing and hinges resist the heaviest sledge hammer attacks
- Automatic relocking devices spring into action if the door is attacked
- Full body welding
- Internal anchor holes allow the safe to be anchored to prevent theft
